

COURSE INFORMATION

All lessons are numbered consecutively with three pages per lesson. In the absence of pages 2 & 3, use Instructor's copy.

Pages 1, 2, & 3 of the lessons are used as follows:

Page 1 – “Lesson #x” = Instructor

Page 2 – “Lesson #x B” = Higher Class

Page 3 – “Lesson #x C” = Lower Class

The letters “B” & “C” in the title indicate for which class the page is designed.

Reviews show the lessons covered in the title. Homework, if any, is written at the bottom of the page. It can be assigned or changed at the instructor's discretion.

Some Quizzes use the lesson as the test key. Any lesson can be modified as the instructor deems necessary for the particular students involved.
