

LESSON 10-30-05

HAVE YOU ANY MEAT?

John 21

Seven of the Lord's disciples went fishing one night after His resurrection.

Jesus has already shown Himself to His disciples, as well as many others, that they might believe He is the Christ.

After spending nearly three years with Jesus, they've become very familiar with the Lord's mission; to seek and to save.

Peter announced he was going fishing and six others joined Him. That night they caught nothing.

When the sun came up, Jesus asked them if they had any meat. Their answer was, "No."

They cast their net on the other side as Jesus told them to and they filled their net with, "153 great fish."

As they came ashore, Jesus had food waiting for them.

Christ questioned Peter repeatedly about what he loved, and then let him know that he no longer was in control of his life but another was, "Jesus".
