

*"Jesus Christ the same yesterday, and today, and for ever." Heb. 13:8*

*"With whom there is no variableness, neither shadow of turning."* The Solid Rock! From eternity past to eternity future God has remained and will remain unchanged. He is the absolute. Perfection needs no improvement. We will need more than eternity to discover all there is to know about our God. His power will be

absolute throughout eternity. There is no power that can successfully challenge Him. Satan, the creature, has deluded himself with his own lies into thinking he can be God's equal. God truly made him powerful in comparison to the other angels and men, but his power is like a candle in a hurricane compared to the Almighty. We can depend on the unchanging God to keep His promises to us. We can depend on Him to provide for us. If He takes notice of the lilies and the sparrows, why would we even entertain the thought that He would do less for us? He loves us with an *"everlasting love."* The mountains will perish long before His love for us has even begun to shine. When we begin to drown in the sea of doubt and discouragement we need to remember *"Jesus Saves."* *"Come unto me all ye that labor and are heavy burdened and I will give you rest."* If we feel like God is a million miles away, it's not because He has moved or changed. If we examine ourselves, we'll find it was us who strayed. God is a God of Restoration. He delights to show His mercy and goodness to His children. He has promised to forgive and cleanse all who confess their guilt and sin, whatsoever, whensoever, whosoever. God is no respecter of persons. All are equal at the foot of the cross. If God can create all we know in seven days, what will He do in eternity? What could He do? And we worry about day to day living!

*"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." 1 Cor. 2:9*
