

"For the wisdom of this world is foolishness with God. For it is written, He taketh the wise in their own craftiness." 1 Corinthians 3:19

"The best-laid schemes of mice and men
Gang aft a-gley" (often go astray)

~Robert Burns, Scottish poet

Powerful and wealthy men secretly plan and scheme to control and dominate the planet under a global government. They have all the power, wealth, and connections to effect such a change, and are implementing it. Their schemes include, but are not limited to, population control, world currency, wealth control,

population manipulation, genetically modified foods, energy resource control, and etc. They engineer man-made viruses to effect genocide of certain "inferior" (*their word*) races and "over-population." They stage "false-flag" incidents that precipitate wars to generate wealth, kill off "excess" population, and to debt enslave nations and their resources. The only thing you can safely trust is the Word of God. His Plan is still executing on schedule and minus a single glitch. Satan may whisper from time to time that "all is lost," but it is a lie. God is keenly aware of every evil scheme and those who hide behind closed doors to plan them. They will be destroyed by their own evil. They assume in their folly that they control their own destiny. When Hell swallows them up whole, they will know that *"the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men."* They will beg for the mercy that they denied to others, but far too late. God takes care of His own and *"taketh the wise in their own craftiness."* The fastest way to destroy your life is to attack the KING'S household.

The evil schemes that men unfold,
Will never thwart the KING of old,
The "Ancient of Days" keeps His Throne,
And watches over all His own. *~CGP*

"Let not your heart be troubled...believe in God." The more chaos that surrounds us, the closer it is to Christ's return. We can rest peacefully in His Grace through faith. There are no "terrors" for the believer.

"But as for me, my feet were almost gone; my steps had well nigh slipped. For I was envious at the foolish, when I saw the prosperity of the wicked...Until I went into the sanctuary of God; then understood I their end. Surely thou didst set them in slippery places: thou castedst them down into destruction. How are they brought into desolation, as in a moment! they are utterly consumed with terrors." Psalm 73
