

*"For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief." 1Thessalonians 5:2-4*

The last or 70<sup>th</sup> “week” of Daniel’s prophecy consists of a 7 year period. The prophecy deals with a total of 70 “weeks” of years, each week being a 7-year period. There are some who call themselves “preterists” who believe all prophecy has already been fulfilled. Some prophecies they have not dealt with satisfactorily. Zechariah 14:4 prophecies a great rift that occurs when Christ’s feet touch the Mt. of Olives. The mount will split, and half will move north and half south. There is no record anywhere that explains this event as anything but future. I’ve yet to hear a Biblical explanation that shows this event as “past.” The Scripture is quite clear that the Day of the Lord will not be expected, “*when ye think not.*” We are told to watch and be ready. Alert believers won’t be caught off guard. We are given things to watch for. Wars, rumors of war, disease, famines, earthquakes in many places, are just some. Did you know that earthquakes are so numerous today, that anything under 6.0 on the Richter Scale isn’t even newsworthy. They are happening several times a day around the globe with at least one above 4.0. It’s time to start paying attention and be alert. The apostle noted almost two thousand years ago that the “night” was far spent, meaning the Day of the Lord was near. This Globe is a seething pot of turbulence and danger. All we hear these days from our leaders is, “We’re just trying to keep the peace and protect you.” Russia invades Georgia with its army and calls it a “peacekeeping mission.” The Son of Perdition will usher in an age of “peace and safety.” thereby gaining the adoration of nations of fearful humanity. His charismatic reign will commence at the beginning of the “last week.” His power will be global and satanic. It’s easy to see in this day of satellites and internet how global control can be held from one location. People will be proclaiming, “Peace” and “Safety,” when suddenly it will end. “*Now is our salvation nearer than when we believed.*”

God’s great Plan is still on the track,  
As He said, He is coming back,  
He will not hasten or delay,  
He shall return the chosen Day. ~CGP
