

*"Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to seek the LORD, till he come and rain righteousness upon you." Hosea 10:12*

"Work for the night is coming." I daresay, it's the eleventh hour, and midnight fast approaches. We need to break up the earth that has lain unseeded, and begin to sow the "Seed" of the Word. The children of our nation are being bombarded with evil twenty four hours a day. TV, video games,

lewd parents, and Godless schools are just a few of the cannons leveled at them. I won't even start with the subtle machinations of filmmakers. May their evil return upon their own heads! The writers of children's books are no less to blame. Satan is piping our children away from us with the music of "fun," and we are being lulled into unconscious sleep by the soft insidious whispers of apathy. Our currency is devalued to the point that it takes both parents working to just "keep up." Our children are being indoctrinated with evil while we sweat to provide basic needs. It's time to wake up to the fact that evil is tireless, and it always goes after the weak and helpless first. We need to get our children out of the realm of "entertainment," and into the realm of "enlightenment." Their eternal soul is more important than present comfort. Let's get the weeds and worms out of the garden, and start planting the good seeds of righteousness. God will surely give the increase to our labor. Never doubt that Truth will ultimately prevail. The KING is not unaware, or being complacent, He's being patient, *"not willing that any should perish, but that all should come to repentance."* Sadly, *"broad is the way that leadeth to destruction, and many there be that enter in thereat."* Our posterity is being plied by the god of this world, and if we are not very, very careful in the training of our children, they too, will enter the "highway to hell." There are lots of pretty lights and sights along the way to distract their gaze from the awful end of the road. We must strive daily against the powerful enchantment of evil, lest we fall victim to the soft music of apathy and neglect. Don't take what's offered to you with a smile, it is poisoned, and will leave you paralyzed. If God didn't prepare it, don't eat it!

*"And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof." Romans 13:11-14*
