New is not always better. The last five decades of “new” presidents and judges have taught us that lesson. The leadership we elected is destroying a foundation that was bathed with the blood of patriots and sealed with deaths of many noble common men; men who believed in and loved liberty more than life and possessions. What has this got to do with God’s Word? Everything! The men that fought and died to give us our liberty were God-fearing, praying, go-to-church-on-Sunday, hard working men. They didn’t sit around in “think tanks” trying to re-write the facts of our nation’s history to suit their own wicked lusts. We have bred and birthed a nation of whining babies who only think of themselves and give not a care for the future. It seems, these days, that the only ones planning ahead are the evil schemers who wish to rule the world. Evil will prevail if good men sit idly by and do nothing. We need to come to grips with the fact that we are being slowly boiled to death like a frog in a pot. We need to be willing to sacrifice, if we are ever to see good triumph again. Our nation’s founders were Spirit-filled men of integrity and honor. I daresay, you would be hard pressed to find a handful of such men in government today. Since our history has been written down, it is being “re-interpreted,” or new laws are written to void it. God has written His Word down, and handed it down from generation to generation, and the same is being done with it. “Ignorance of the law is no excuse.” Romans 1 and Psalms 19 tell us that nature itself declares God’s glory. Our government’s dehumanizing, pagan, humanistic school system is doing everything in its power to derail our children, and we still toddle them off to be brainwashed. They allow “discussion” of every other religion, but if “God” is mentioned, teachers get reprimanded or fired. This should give Christians a clue as to who is really pulling the strings. If we let evil, subtle schemers push God out of our nation, then our nation is going to go straight to hell!

*"The wicked shall be turned into hell, and all the nations that forget God." Psalms 9:17*
