

"And the LORD spake unto Moses, saying, This shall be the law of the leper in the day of his cleansing: He shall be brought unto the priest: And the priest shall go forth out of the camp..." Leviticus 14:1-3

The leprosy of our sin is cleansed the moment our faith moves us to cry out in desperation, *"Have mercy upon me, Thou Son of David!"* The faith prayer is always answered by the High Priest of Heaven. Jesus spared no expense to redeem His lost loved ones. He went forth outside the camp to give His Life a ransom for many. He is the answer to all crisis and desperate moments. He is the Forgiver of sin and the Healer of men. His Majesty always holds open court for the humble penitent. His heralds have proclaimed amnesty throughout the land and He will gladly employ any who wish to join them. Leprosy is hideous to the healthy and a death sentence to the infected. The Great Physician, now, is near. Jesus waits, nay, tarries His

arrival, not willing that any should perish by reason of His coming. I'm afraid He will not tarry much longer. We must hasten the heralding of amnesty to the far reaches of the Kingdom before the KING comes to judge the unrepentant. His judgment is swift, sure, and inescapable. When He arrives, all mercy will cease and all sinners will die. The great Snake of Hades will be bound and cast out to suffer hideous torment with the damned. Satan may have enormous power, but he is worm when compared to the Almighty. Sin is terminal, but New Life from God is transforming.

Leprous sin, a hideous sore,
Will keep us far from Heaven's shore,
New Life from death is now secure,
The Great Physician has the Cure. -CGP

Do not hesitate to come to the Saviour for healing. Then, hasten forth to herald His amnesty to the repentant. The leprosy of sin is a pandemic that has doomed this world to destruction. We must hurry to gather as many as possible into the Ark of Truth. Once judgment begins, God will shut the door.

"And they went in unto Noah into the ark, two and two of all flesh, wherein is the breath of life...and the LORD shut him in...and Noah only remained alive, and they that were with him in the ark." Genesis 7:15-16, 23
